

SWIVEL MOUNT

PCN #: 122436

Date Published: 04/07/2025

Notice Type: Two new holes on the Swivel Mount

The Following Changes Are Made: Two additional holes have been added to enable the user to mount the EBAR perpendicular to the original orientation. With the old version, the EBAR can only be mounted in one direction. With the new one, you can still mount it in the old orientation but also rotate the EBAR 90°.
